**Diocesan Capital Campaign - "Reclaiming the Mission of Christ"**

**Our Priorities:** You are invited to join us in *Reclaiming Christ's Mission Together!*

Bishop Barber invites you to prayerfully consider giving to the diocesan capital campaign—a \$65 million campaign that will address the following needs of the Church of the East Bay.

**Catholic Schools Tuition Endowment**

To move forward as a diocese, we must support our schools and our children.

Catholic schools in the Diocese of Oakland educate children in the Catholic faith and nurture their minds, bodies and souls, inspiring them to live the Gospel of Jesus Christ, achieve their highest academic and creative potential, and actively serve and enrich the community. Building on a long tradition of academic excellence of over 100 years, our Catholic schools are committed to providing a consistently excellent and equitable 21st century education. Inspired leadership, dedicated teachers, supportive learning environments and respect for the God-given dignity of each person are the foundation for student achievement.

It is estimated that \$4.9 million remains in unmet annual need for elementary school students alone. Last year, 3,800 of the more than 4,200 applicants to Family Aid for Catholic Education demonstrated need. However, the grants awarded left over 3,000 of these qualified applicants still in need and seeking support either through their local schools (many of which have limited resources for tuition assistance) or other non-profit organizations.

To ensure Catholic education remains available to all families who seek it and better meet the level of identified need, it is critical for our diocese to establish a long-term financial solution that provides increased income generation for tuition assistance. The diocese is committed to providing \$10 million in funds to establish a new tuition assistance endowment through *Reclaiming Christ's Mission Together* campaign.

**Parish Share**

To move forward as a diocese, we must support our parishes.

Every parish within the diocese has its own unique challenges and goals. Some may require new construction, building renovations or deferred maintenance. Others may need to reduce debt, while some are striving to establish endowments that will generate income for parish and school ministries and services. Still others need personnel or materials to more effectively bring the teachings of Christ and the mission of the Church to their parishioners.

A financial return to each parish has been incorporated into *Reclaiming Christ's Mission Together* campaign. Every parish will have a financial goal equal to 110 percent of the offertory average for 2010, 2011 and 2012. Through the parish share component of the campaign, 25 percent of all funds generated up to the parish goal will be returned to the parish to be used for identified individual needs. Additionally, once a parish surpasses its goal, 50 percent of the funds raised over the goal will be returned. Through the parish share component, we hope to realize at least \$12.7 million in funding for parish needs.
