Mixed Media Clearance / Permission Form

Youth Formation Office- 925-439-1091

Dear Parent or Guardian:

This is to inform you that during the 2011 and 2012 registration year, we are asking to communicate with your child through different types of social and electronic media for example text, email, facebook, and twitter. There will also be occasions where we will be taking photos and videos of your student during our different activities and events.

We are asking you to complete the detachable permission slip below allowing your child to be videoed / photographed. We would also ask permission to tag, post and or share videos, and photographs of your child.

We ask this with only the intention of sharing the good things your children are involved in at the church and in the community. Social media has become such a huge part of our student's lives that we feel it is better to embrace it and use it safely.

Please do not hesitate to contact us if you have questions about this.

With the peace of Christ,
